From the President ...

In case you missed it, its nearly Christmas!!! Among other things, that means it's time for the judging of 'Image of the Year' in various categories (December 4), followed by the presentation of our annual awards at the Christmas BBQ to be held in Rotary Park (December 11).

It has been my pleasure to work with the committee over the past week or so to confirm the appointment of two vice presidents: Robyn Rosenboom and Jane Woodcock. As part of their roles, Jane will oversee the portfolio of tutorials and workshops and Robyn will lead the review and revision of the strategic plan, including reviews of role statements.

Members would also be aware that Mike Moore has resigned from the Committee. Mike has put a huge effort into the role of Competition Coordinator and brought a number of innovative approaches to our competition schedule. His work and attention to detail will be missed by all, particularly those who enter monthly competitions.

Being mindful of the importance of this role, and also of the workload involved, the management of the various tasks involved in running our competitions will be shared across a competition team:

- Entering competitions on the VP calendar: Des Lowe
- Managing entries submitted to VP on a monthly basis, David Woodcock
- Receiving and processing prints; Robyn Wright
- Recruiting and liaison with judges: Linda Zwierlein
- Projection / AV: Jack Gargasz
- External Competitions: Ruth Burleigh

While appreciating this is a long list, it makes the various tasks a much smaller impost on any one individual's time and brings a broad range of skills.

An overall coordinator drawn from this team would then become a member of the committee.

The committee has also received Geoff Smith's resignation. Geoff has been on the committee, and the National Subcommittee for a number of years, including serving as Treasurer for both. We will miss Geoff's contribution at this level, but I'm sure we will benefit from him sharing some of his images and techniques.

Facebook users are likely to be aware that Philip Keith, Mike Moore and Robyn Wright were each awarded APS honours at a recent online presentation. Congratulations to all three, acknowledgement of hardwork, dedication and importantly, great photography.

Finally, please keep an eye on the online club calendar, your email, and our newsletter for details of all events in our program including workshops and the February weekend away to Geelong.

Until next time, keep taking good photos,

Russell

A BIG REMINDER FROM DES

Dear WCC Members,

The Hallora Marathon shoot on Sunday 10th December is rapidly approaching and we need a team of photographers to cover this event. Please register your availability for the morning on the club website calendar A.S.A.P.

Western Park, Tarwin Street, Warragul is the start/finish location for most events from 9:00 am (I will cover the start of the Marathon and Half Marathon from 6:30 am at Hallora). All events will proceed along the Two Towns Trail so most of the action will be at the Western Park and along the trail.

More information about the events can be found on the event website <https://halloramarathon.org.au/>

This event raises a significant amount for Peter MacCallum Cancer Centre so it is a very worthy local event we can support by our participation. It is also another opportunity for us to practice our event photography skills. I look forward to your participation.

Regards,

Des

CHRISTMAS BBQ to be held in Rotary Park

GEELONG

Well, it is finally happening. The Warragul Camera Club Weekend Away. Next February the Club will be heading to Geelong for Fun and Fellowship (and Photography).

The WCC has selected the Barwon River Holiday Park, as the accommodation of choice. It is right on the Barwon River and 5 minutes from Geelong CBD. The park has 1-, 2- & 3-bedroom cabins plus caravan sites (grass and/or ensuite), a camp kitchen and a BBQ area. Cabins have a 2-night minimum booking. The most important thing to do now is put this event into your calendar and to organise your accommodation. The preferred option is for everyone to stay in the one location to maximise the photographic and more importantly the social experience. All partners, families and others are welcome to come along.
