CLUB NOTICEBOARD

The following email was sent out to all members on 23 March 2020

Hello Everyone,
We are writing on behalf of your National sub-committee, to update you on what is happening with our 2020 National.

Unfortunately, because of the coronavirus, we have decided that judging on S**aturday, 4th April has to be cancelled**. As well, we are having to **cancel the Exhibition in May.**

I would like to thank you all for putting your hands up as helpers. The judging day would have been a wonderful experience.

We are looking at alternative plans for judging the images. I will give you further updates as they come to hand.

Please take care of yourselves.

Bruce Langdon **Jane Woodcock**,
WCC President National Sub-Committee Chair

Want to see one your own favourite images on the front page of this publication? Or on the new 'Members' Gallery' page? I need a selection of images that I can draw upon each month to help fill the pages photo-slot. What better way is there to spend your time these days? Just email me *a couple of* JPEGs of *anything!* Include a title, perhaps a setting of where you took the image and, your name. Or not, if you would prefer to remain anonymous! Thanks, it'll help *me* to keep giving *you* the best newsletter I can! Rose. enquiries@warragulcameraclub.org

PORTRAIT COMPETITION

Dear Participating Clubs: Obviously it is an incredibly difficult time with enormous uncertainty, but one thing is certain- THE 10 CLUB PORTRAIT COMPETITION IS STILL GOING TO HAPPEN ON 22 JUNE AS PLANNED.

Sure, the judging and presentation night may well have to be held remotely via a webcast but that will be OK. Our club has already moved our weekly meeting onto the Zoom platform, with the first one being held recently. Therefore, we are very confident that by the 22 June we will be experts at providing live content and comments about images via this platform.

We are keen to keep photographers from all the 10 competing clubs engaged and involved in enhancing their portrait photography skills, notwithstanding the current extremely difficult situation.

Therefore, please do not lose sight of the cut off date for entries, being **25 May 2020**. As per our last bulletin, upload arrangements for entries have yet to be finalised but when they are in the next couple of weeks I will email them to you all.

There have been a couple of enquiries as to image sizes. The Rules state as follows: *Our competition software can handle JPEG images of up to 5Mb. However, as to the minimum size of images, given that we will be arranging A3 prints of the awarded images in each category, we would prefer JPEG high quality sized images no smaller than 3.5Mb at 300DPI in Abode RGB.*

In other words, please submit images as large as possible provided that they don't exceed around 5mb. I will check again with our judges/printers and if they think we should modify these sizing guidelines I will let you know.

If you have any questions at anytime please contact me via **portrait.comp@camberwellcameraclub.org.au** or call on Ph 0419996191.

Club Calibrator for Hire

Colours and brightness of computer screens and monitors change over time. In order to see images correctly screens and monitors need to be regularly calibrated.

To save club members the expense of purchasing a calibrator (in excess of $600) you can hire the club X-rite i1Studio calibrator for $15 per week. If you are unfamiliar with its usage, a helpful tutorial is available on YouTube. Details of this tutorial have been document and will be in the calibrator case.

CLUB OUTING REPORT

Club members recently visited Phillip Island and the Vietnam Veterans' Museum, before heading off to explore nearby Churchill Island. At our last club meeting we all enjoyed a superb and amusing audio-visual presentation put together by Ron, with images contributed by those attending (I can still see Ruth cracking that whip!!).

Robyn Wright has kindly shared a few images she made that weekend for inclusion here.

KEEPING IN (SOCIAL DISTANCE) TOUCH!

Warragul Camera Club Private Facebook Page

A message from Ron Paynter:

"*Keeping connected as a club can be difficult when face to face meetings and outings can't happen. Bruce's emails and Rose's newsletter will keep information flowing to you, but the closed Club Facebook page is another way to stay connected. Consider joining the 49 club members who are currently on the page. If you aren't a social media user, and if you're on the page but not very active, don't be shy about having a go at the* ***daily image challenge*** *by taking a photo around the house or delving into your archives.*

We can use the page to share interesting educational links and even to share shots that we like. Terrie has a project involving close up adventures of her Lego Men that she may be willing to post on the club page as an example of using our image making passion to take our minds off what's going on around us for a moment. It may even be a venue for a "virtual outing" around our homes on the last Sunday of the month.

Stay well, keep image-making and hope to have fun and learn with you over on 'Warragul Camera Club' Facebook page."

Catering for all occasions

Choosing Absolutely Fabulous Food by Meredith ensures you can be a guest at your celebration. Enjoy the event and leave the food and service to Meredith and her friendly staff.

Our Judge for the April competition will be Adrian Smith. He will be presenting a critique of the 'Old Dairies & Milking Sheds' entries.

Adrian sent us this short biography of his photographic achievements:

Member of Maroondah Photographic Society for 34 years, President on 13 occasions, President VAPS 2 years while on VAPS Committee for 13 years. Chairman APS Convention 2001 in Shepparton. Michaels Camera Video Digital 13 ½ years. Judging for 30 years including club, National at Warragul, Pakenham, Ballarat, Melbourne and International at Vigex and Adelaide's Interphot. My photography spans nearly 60 years.

MEMBERS' GALLERY

I thought we might try a new venture this month and start a regular gallery of members' photos. Its success depends on members being willing to email me a couple of JPEGS each month, together with name, title and any other information you'd like to include. I'll include as many of them as possible, and maybe hold a few back for the following month in case entries drop.
So, to get us started, here are a couple shared by Irene Coates and Robyn Wright (thanks Ladies!).

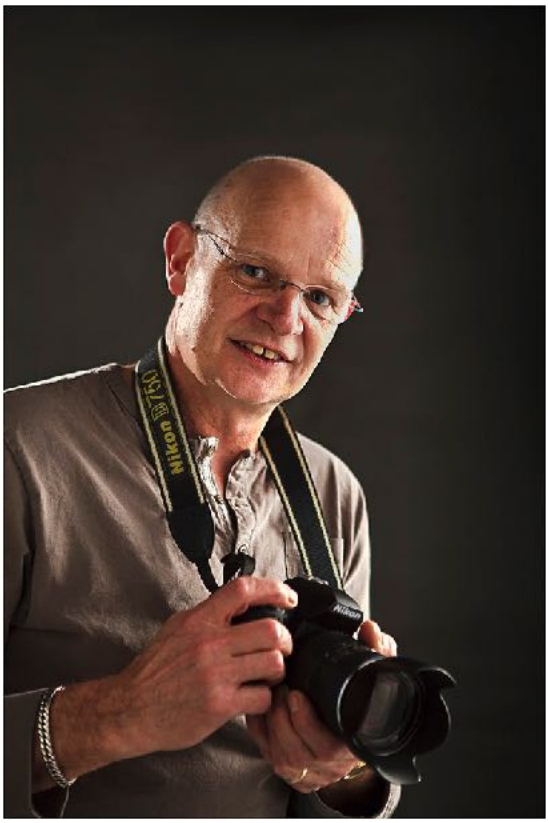
Shared by Irene Coates following a recent trip to WA.

Wave Rock is a natural rock formation that is shaped like a tall breaking ocean wave. The "wave" is about 15 m high and around 110 m long. It forms the north side of a solitary hill, which is known as "Hyden Rock". HYDEN WA Wikipedia

Looks as though a small little spider has made some beautiful Gum nuts her home!
Super image shared by Robyn Wright.

President's Report
April 2020

President's Report
April 2020



I cannot believe how much has changed since my March report. We are certainly in a different world from even two weeks ago.

I have sent out a previous club email outlining the club's position and how we are handling the situation. This position hasn't changed and to reiterate this again:
Until further notice we will not be holding any face to face activities including:

- General Meetings
- Committee Meetings
- Tutorials
- Outings
- Competitions

We wish to encourage more Facebook interaction for club updates as well as reading the newsletter for camera club information. Please use these facilities to access important club updates.
Apart from the current competition, the immediate future monthly competitions will be digital/ CREX only. We will be looking at having these judged remotely.

More details will be communicated to you as this situation changes but it quite evident that the effects of this Covid-19 virus will be with us for some time.

Regardless of this situation, life must roll on and the club will still endeavour to bring innovative ways to share our photography, and of course please make use of the club's Facebook page where there are the daily challenges available. We will also be communicating to you via this source as well as the club email.

Thanks to Ron for his excellent organisation of our recent outing to Phillip Island to visit the Vietnam Vets Museum and Churchill Island. What a great day we all had with a large number of members attending. Thanks also to Ron for organising the entertaining audio visual for the meeting night. Obviously this outing will be the last we will be having for the immediate future and I'm sure everyone is looking forward to the time when we again to get together to share our photography.

Last month's tutorial at Mawarra was a "Peer Image Review" evening and was attended by a good number of enthusiastic members who gained a great deal on the night in regard to their own image evaluation process which I'm sure will improve their photography. We will be postponing any further tutorial evenings for the foreseeable future.

The recent judging survey that we have conducted is complete and we have organised a sub committee to establish a recommendation to put to our members. I would like to thank those members who have volunteered their time to assist in this process. Like everything else at present, this will be postponed and taken up again when life gets back to normal.

Our monthly competitions are very important events and are the cornerstone of our club. These have been superbly managed for the last few years by Laurie Snowball. Laurie has decided to step down from this position in June to not only concentrate more on his photography but to give the opportunity to other members to experience the wonderful opportunity of organising these competitions. On behalf of the Warragul Camera Club and the committee, I'd like to express my heartfelt thanks for the tremendous effort and hard work that Laurie has put into this role and the enthusiasm he has shown to the monthly and other competitions he has managed.

For the foreseeable future we will be only working with PDI/CREX entries which is an excellent opportunity for a new steward to take over and ease into the role. The role is not necessary just a one person role and I would encourage the input of a couple of members to take this on. Please take this time to think about embarking on the role of Competition Steward(s). It has been decided that this role will not necessarily require you to be on the committee, thereby freeing up your time. Certainly only an option that can be taken up as you would also be very welcome to join the committee. Laurie and myself will be happy to assist you with more information so please get together and have a think about taking on this important role as without a Competition Steward we cannot run competitions.

Other competitions that we have been promoting are continuing on and they are:

VAPS Interclub Competition will continue as **PDI entries only** and have been selected by our dedicated selection committee.

The 10 Club Portrait Competition
Organised by the Camberwell Camera Club
The submission date for the special portrait competition is the **25th May**. These are all **PDIs only** so at this time of writing will go ahead as planned. This is a great and unique opportunity to be part of only a few clubs involved and will be presented and exhibited at the MGA (Monash Gallery of Art) on June 22nd which is a special opportunity for you that will not come along often. From what I have read the exhibition will be held with reduced numbers of people being admitted but this can alter as the situation changes. Please get your entries in by the closing date and the club website has this competition now ready for submissions.
The Warragul Camera Club's 47th National Competition will be going ahead as a competition **ONLY** event with no exhibition being held this year, 2020. All judging will be done remotely at a

future date to be determined so the judging day that was being held on **Saturday 4th April has now been cancelled**. The National Committee will keep you up to date via email and/or Facebook.

All the best as we band together to run our club through these difficult times and please stay safe.

Bruce Langdon

Here's another short quote to leave you with:
"The heart and mind are the true lens of the camera."
Yousuf Karsh

Hey! Don't forget to have a Happy Easter! And don't eat too many choccie eggs!

Stay safe, stay at home this Easter

PHOTOGRAPHY RESOURCES

I've got lots of fun things for you to look into this month. Hopefully, it'll help you pass some of your 'isolation time' a bit more pleasantly. Many thanks to everyone who has sent links to me to include here…..keep them coming!

- To kick us off, let's get cleaned up and have our gear ready for some photo-action. Russell

https://www.thephoblographer.com/2019/12/12/photography-cheat-sheet-how-to-clean-your-camera-lens/

https://www.thephoblographer.com/2020/03/17/camera-manufacturers-disagree-on-how-to-disinfect-your-cameras/

- For those of you interested in learning about Street Photography, check this one out. As soon as this crisis is over, let's hit the streets together. Rose
- **https://www.streethunters.net/blog/2020/03/22/things-a-street-photographer-can-do-when-in-quarantine/**
- https://www.youtube.com/channel/UCTs3iJeBSr7qoeJ0JCpJRyQ I just *love* Brian's videos!
- From Kayren - Here's a simple and but nice distraction from today's barrage of "news" topics…the winning photo is #14. Kayren

https://newatlas.com/digital-cameras/agora-best-nature-photography-2020-gallery/

- How about a sunrise competition? This one is run by the National Gallery of Australia and is open until 21 July 2020. Kayren

https://nga.gov.au/impressionsunrise/competition.cfm

- Antarctic seal photo wins top prize. Great photos. Several taken with a drone. The winning photo was a drone photo. Drones becoming the next level in top creative photography.

Nigel

https://www.bbc.co.uk/news/in-pictures-52007548

- You might recall our last judge,Theo, mentioning some of his favourite You Tube videos? OK, search for Gavin Hoey, he has videos on his playlists covering 'Photoshop Tips & Tricks', 'Creative Lightroom', and 'Photography Tips & Tricks'.

He also has a great website: www.gavtrain.com and if you're into Instagram, look for '**thegavinhoey**'

- **Serge Ramelli**, on You Tube, has lots of Lightroom and Photoshop tutorials, including videos on photography techniques
- **Photographer Online (You Tube),** for information about the Zone System
- Lastly, **Kelby One** is another source of great videos for learning and photo projects

WARRAGUL CAMERA CLUB

MINUTES OF COMMITTEE MEETING MARCH 2020

DATE: 5/3/2020
TIME: 7.00P.M.
PLACE: Warragul Community House

NOTE THAT THESE ARE THE MINUTES OF THE MEETING. THEY MAY NOT NECESSARILY REFLECT THE CURRENT SITUATION BECAUSE OF THE SOCIAL DISTANCING REQUIREMENTS OF THE COV19 SITUATION

Present: Bruce Langdon, Ruth Burleigh, Jane and David Woodcock, Russell Monson, Marshall Cock. Peter Dwyer, Rose Bosse, Ron Paynter

Apologies Laurie Snowball

Minutes of previous meeting
It was moved Peter Dwyer, seconded Ruth Burleigh, that the minutes be approved subject to the corrections.
The month of the portrait workshops be amended to March.
That "Graeme Anderson' be inserted as the name of the third person of the image selection panel.

Business arising
Projector screen
David Woodcock advised the meeting that high definition TVs are no longer available.
It was moved Ruth Burleigh, seconded Russell Monson, that Marshall Cock be authorised to acquire a projector screen for a cost of between $500 and $600.
Sambian Chalet
It was decided to aim to hold this in October. Russell Monson will check on availability.
Judging methods
It was moved Russell Monson, seconded Ruth Burleigh, that Laurie Snowball email members seeking members interested in being on a sub-committee to prepare a recommendation on judging methods for the AGM
Decoration of electrical sub-stations.
Geoff Smith has contacted the Shire and, as advised by them, is now contacting the owners.
National sponsors
Russell Monson is chasing up the last of the bronze sponsors.
Date of April committee meeting is to be moved back to the 9th.

Correspondence
Peter Dwyer advised that the correspondence for the month was:
Thank you letter to Theo
Email from and to Wilma Meirmans
VAPS newsbrief
Email from VAPS re procedures for years bars awards
Email from VAPS re convention
Email from VAPS re special general meeting
Email from VAPS re convention registration
Email from VAPS re VIGEX
Email from VAPS re level 5 judges training
Email from VAPS and APS re Australia cup

Treasurer's report
It was moved Marshall Cock, seconded Ruth Burleigh, that the treasurer's report as tabled be approved.

Payments
It was moved Marshall Cock, seconded Ruth Burleigh, that the following payments be approved.

Club account		
R Burleigh	Jan Burt (Presenter)	50.00 (Paid)
Mawarra	Rent x 2	100.00
T van der Meulen	Judge	50.00
National account		
B Langdon	DL Cards	156.20

Newsletter report
Rose Bosse advised that she is asking members to submit images that she can use for a gallery page in the newsletter.
Ruth Burleigh will print and deliver newsletters to those members without email access.

Vice President's report
It was decided that the next planning session would be at the start of the next committee meeting.

Special events

AV group
The AV group is to be held at the home of Ruth Burleigh at 7.00p.m. on the 16th of March. (Note that this is now out of date because due to the dreaded virus this has been cancelled.)

Gippsland interclub
The entries for the Gippsland interclub competition need to be submitted at the July meeting. (Note that this is now subject to further advice.)
Gary Smith will be asked to be convener of the selection panel.

Red Tree Gallery exhibition
Framed prints for the Red Tree Gallery exhibition need to be submitted at the July meeting.

Presentation day
Marshall Cock will investigate St Paul's for suitability and if it is satisfactory the presentation day will be held there. If it is not suitable, it will go ahead at the Downtowner.

VAPS interclub prints
These are to be delivered by Jane and David Woodcock. (Note that the print section of the VAPS interclub has now been cancelled.)

VAPS convention
Chario has submitted a revised quotation which Ruth Burleigh will forward to VAPS.

10 Portrait competition
Ruth Burleigh advised that there will be 10 entries per club for each of 3 categories and that the entries close on May 25 and hence the entries need to be submitted at the May meeting. Ruth will put a Powerpoint presentation on the website.

National report
Jane Woodcock reported that there were 68 entrants who had entered 438 images of which 219 were pints.
Ruth Burleigh will send a follow up reminder email re bump in.
Ruth will send Kayren Brown details for the channel 7 notice board.
Russell monsoon will contact sponsors re them being contacted by the Gazette.
The testing of equipment for judging day will take place at the home of Peter Dwyer on the 25th at 7.30.
Jane Woodcock presented print-to-metal samples and the semi-gloss was chosen. Print-to-Metal will be asked to provide advertising material on the same media and the same size as the prints.
Russell Monson will check whether Rotary has A-frames for use at the exhibition. 4 are needed.
Bruce Langdon will organise a pull-up sign.

Competition steward
The meeting was advised that Laurie Snowball will be resigning as competition steward at the AGM. David Woodcock advised that the roles of competition steward and judge steward should be separated to ease the workload on the competition steward.
Volunteers for the roles will be sought via the newsletter. It was agreed that it was not necessary for the competition steward to be a committee member.

Kitchen duties
An email is to be sent to members seeking a volunteer to coordinate members to undertake the kitchen duties at meetings.

Tutorials
The April tutorial will be a 'bring your camera' night aimed at helping members understand their cameras.

Outings
The March outing will be to Noojee on the 29th pending a volunteer to be trip leader.
The April outing will be to Melbourne for photo 20/20 on the 26th. Again, a trip leader is required.

Focus calibration
Following remarks from the judge at the March meeting that many of the images were not sharp Peter Dwyer will investigate focus calibration systems.
