**DEADLINE FOR ARTICLES FOR THE
NOVEMBER 2022 NEWSLETTER:**

25th October

Club Calibrator for Hire

Colours and brightness of computer screens and monitors change over time. In order to see images correctly screens and monitors need to be regularly calibrated.

To save club members the expense of purchasing a calibrator (in excess of \$600) you can hire the club X-rite i1Studio calibrator for \$15 per week. If you are unfamiliar with its usage, a helpful tutorial is available on YouTube. Details of this tutorial have been document and will be in the calibrator case.

Contact Bruce Langdon for bookings.

Newsletter Submissions

If you see an article or something you think members would enjoy please send me details of it, including the name of the magazine/website and the author's name, together with a link to it.

The link can be shared with members through the newsletter.

Most articles published within magazines or online are copyright protected.

Therefore, we are not at liberty to copy and publish articles written by others without their permission. As our club newsletter is available on the World Wide Web, and not simply limited to members, this fact is a serious consideration.

Disclaimer: The purpose of this newsletter is to provide general club information only. All care has been taken to ensure that to my knowledge the information provided is true and correct at the time of publishing. I do not accept any responsibility for any errors, omissions or inaccuracies.

Newsletter Editor, Warragul Camera Club

President's Report

October 2022

Hello everyone and welcome to October's newsletter. I hope everyone has been enjoying the sporadic entry into spring with our fickle weather, but we have been fortunate to enjoy the odd sunny day that at least means that the lawns have been able to get mowed.

I hope everyone who went to the end of month outing to "The Channels", up around Hayfield, had an enjoyable day. Thanks to Ron and Des for sourcing this wonderful place to photograph.

Next General Meeting - October 3rd

The next general meeting will again be held at our club rooms (Warragul RSL) and this month's competition, "Monochrome", will be judged and critiqued by well-known photographer, Ian Rolfe. Ian will also be giving a photographic presentation and by past experience these are always very interesting and informative. At this stage we are intending to continue with Zoom presentations of the meetings, but these will depend on the numbers attending as this requires a significant effort to set up as well as trying to present an enjoyable evening for those present.

Next Competition

The print entries for the November competition "Scapes" will be due at the next meeting on October 3rd and PDI entries must be in by 11:30pm that night.

PakWag Interclub Competition - October 10th

Each year we have an inter club competition with the Pakenham Camera Club and we share the hosting of this event. This year our club is hosting this evening which will be held at the club rooms (Warragul RSL) on Monday October 10th. This is an open competition in prints, PDIs, CREX and a novice section as well so something for everyone. This night will replace the usual tutorial night and I'd ask all members to come along to represent our club and to welcome our Pakenham Camera Club guests. It will be an enjoyable evening and will be great to socialise again as we haven't been able to run this face to face for the last two years.

Presentation Day - Saturday 15th October

At the time of writing my report, this year's Presentation Day featuring highly acclaimed photographer, Keren Dobia has attracted a total of 16 tickets. Only 11 members have booked to support this event that has been organised. So much time and effort has been put in by organisers of this day, and to say that I am disappointed by the lack of member support would be an understatement.

We have decided to have a cutoff date at the October meeting before we cancel this event as it will not be financially viable to run it. It would also be incredibly embarrassing to run this event with so few attending.

Warragul Camera Club's outstanding reputation of running great events is now on the line. You will be receiving this newsletter before the decision to cancel and I would ask all members to show their support and even if you feel Keren's work is not of particular interest to you, there will always be something of value that you will take away. No one is ever such a great photographer that they can't learn something from another photographer. This is about supporting your club and if you wish that we organise future activities, they will need member support to happen.

This is now the last chance, as at the special reduced rate of \$75, it is fabulous value for money and our presenter Keren Dobia will inspire your photography with a full day's presentation with lunch provided.

BOOK YOUR SEAT NOW - www.trybooking.com/BYGTG

Cheers, Bruce

Major Events Report

Presentation Day Saturday 15 th October 2022

Hi Members,

You will have read Bruce's report regarding the Presentation Day so there is no need for me to repeat his justifiable concerns.

You have until the next meeting night Monday 3 rd Oct to register for this event. I know everyone is very busy with life. I am not concerned about how much work goes into organising these events as that's my job within the club, but I am concerned that we are not providing what you want and we need to rethink what we are doing in this regard.

I thank those of you who have registered and supporting your club and if by chance the event has to be cancelled your money will be refunded.

Amendment to Last Month's Newsletter on the Gippsland Interclub.

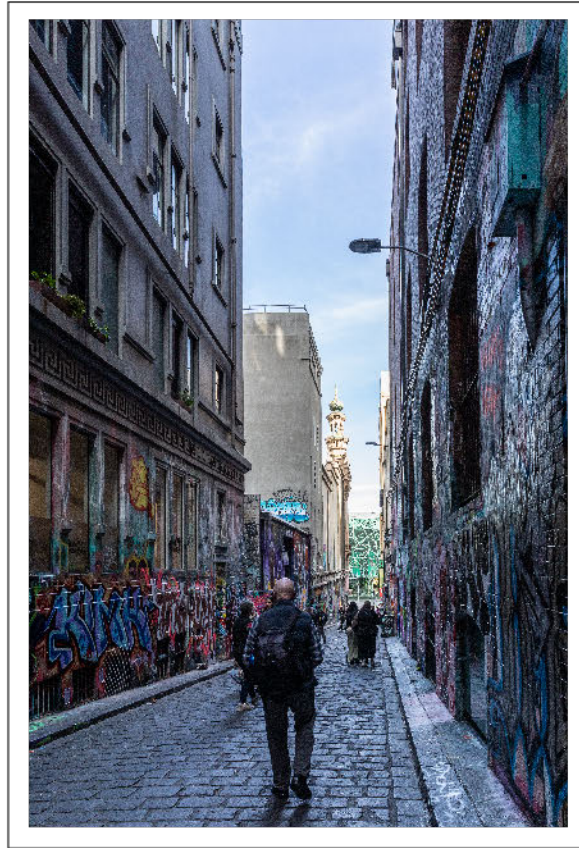

Just for historic purposes the Gippsland Interclub report in the September issue was referred to as our 10th circulation of the event when in fact this year 2022 was our 12th round of this event but because of covid I confused everyone by celebrating the 10th round with a birthday cake.

I apologise for any confusion.

Cheers Ruth

September End of Month Outing to The Channels

Here are a sneak peak at some images of the recent outing by our intrepid members as this was only held last weekend.

There will be more to come next month as they are collected.

Thank you to all of our generous sponsors!

The Warragul Camera Club appreciates the continued support of all our sponsors for the National Competition and Exhibition. The competition and exhibition would not be possible without their support, and we encourage members (and other readers) to consider them when making purchase decisions.
