## EXCEED YOUR VISION

## President's Message:

Hello everyone and welcome to my first President's report for the new club year and what an exciting year it is going to be. It is fitting that I write this report admiring our wonderful wide land travelling along the Tanami Desert track, reflecting on the start of my role as President, albeit a little selfish performing my first duty by going off on a six week jaunt into the Bungle Bungles. Let's call it a "study tour" for me to report back to the club!

Firstly and most importantly, I would like to thank my very good friend, Ruth, for her tireless and wonderful work over the many years leading our fantastic camera club. I could write my whole report talking about the achievements and dedication she has given this club and without doubt, she is the reason we are one of the most successful camera clubs in Victoria. Ruth is driven with passion and enthusiasm and the camera club has been her "life" for many, many years. Thankfully, Ruth is continuing as our newly appointed committee role, Special Events Steward and will be the Immediate Past President for 2019/20. This will mean her dynamism and vigour will be embraced but will also give her the room to have time for her personal pursuit of travel and photography. There are many great ideas for new and innovative workshops, presentations and competitions that she has planned so stay tuned for some exciting times ahead. I'd personally like to thank her for her magnificent work as the President of our fine club.

Next, I would like to welcome our new committee for 2019/20

**President:** Bruce Langdon

**Vice President:** Russell Monson

**Secretary:** Peter Dwyer

**Treasurer:** Marshall Cock

**Immediate Past President and Special Events and Competitions Steward:** Ruth Burleigh

**Competition Steward:** Laurie Snowball

**Editor and Membership Steward:** Rose Bosse

**IT and Webmaster:** David Woodcock

**National Exhibition Chair/Coordinator:** Jane Woodcock

We are also privileged to have several members taking on important roles within our club:

**VAPS Convention 2021 Coordinator:** Gary Smith

**Property Steward:** Joe Meirmans

**Historians:** Kayren Browne and Ruth Burleigh

**Warragul Gazette Reports:** Kayren Browne

I would like to thank our dedicated club members for taking on these important roles to ensure the smooth running of our club.

We have quite a few things planned for the rest of the calendar year, one being our big Presentation Day, again being held at The Downtowner on Sunday 3rd November. This will feature two amazing presenters showing very different photography skills. Meike Boynton will present The Art of Abstract Aerial Photography and Composition for Landscape Photographers, and Fiona Handbury will present High Speed Photography using Sound and Motion Triggers, Timed Water Drops to Create Art Pieces and Using Sound Sensors to Freeze Motion. What amazingly diverse subjects and unique in their nature and a not miss day in your photographic calendar. These presentation days are very special for our club and have already earned a reputation among the camera clubs of Victoria so once again the Warragul Camera Club leads the way in presentations and national exhibitions. These days are the inception of Ruth and she will again be the driving force having already secured presenters for 2020. I urge you to support this day and bookings can be made at <https://www.trybooking.com/BBMYO> and there is a discount for club members. There is also a flyer in this newsletter so put it in your diary please. Let's make this day rock!

Don't forget to read the monthly newsletter, the vital lifeline letting you know what is on and what is coming up. Our dedicated editor spends a lot of time organising and collating this information so there's no excuse for not remembering the next tutorial and outings that have been organised.

Thank you again for being a member of our great club and look forward to catching up with everyone when we are back from our "wallaby" around the outback.

*Bruce*
