## November Competition:

### Our Judge for Landscape Competition / October meeting

#### Open Black & White – TUCK LEONG AAPS SSAPS SSVAPS

I am a member of the Australian Photographic Society and am a past member of its Nature Division Council. I am also a past president of Ivanhoe Photographic Society, the Victorian Nature Photography Group and a past committee member of Waverley Camera Club, Victorian Association of Photographic Societies (VAPS) and Victoria Geelong Exhibition (VIGEX).

I was a director for the RASV-VAPS National Exhibition of Photography for 2 years and also directed the VAPS conventions on six years held during the June Queen's Birthday long weekends.

Over the years I have entered and received acceptances and awards in numerous International and National Salons of Photography

I received the state service awards from both Australian Photographic Society and Victorian Association of Photographic Societies for my contributions to photography.

I have judged in current Victorian National Salons, VIGEX International Exhibitions and Adelaide National Exhibition of Photography.

I have presented talks to clubs within Victoria and interstate and continue to judge for metropolitan and country clubs.

## President's Message:

Photo courtesy of Nat Peters. This is the perpetual trophy we get to keep for winning the Gippsland Interclub Exhibition, the banner will be displayed at the club rooms on meeting nights. Well done members.

October's tutorial evening was a presentation by Andrew Chapman and those that attended I am sure enjoyed the evening very much.

Reminder October's outing is to Walhalla with Rose Bosse leading, please support our outings. See elsewhere in the newsletter for more details.

November's tutorial Monday 12<sup>th</sup> will be a macro workshop with David Barton presenting. David's previous macro workshop was excellent so don't miss this one.

It has been brought to my attention that chatting amongst yourselves during judges critiquing or presentations is distracting to others and often makes it difficult for other members to hear the judge or presenter. Please be considerate of others including our judges. I am requesting to please try to minimise chatter and if you must and I know it's very hard sometimes, keep it very quiet so as not to disturb other members, or our judges.

The outing for **November is Sunday 25<sup>th</sup>** and is our very special full days presentations by Paul Robinson and Adrian Donoghue the information is available on the club's website. You need to support these events to demonstrate to your committee that it is worthwhile creating them for you. High calibre presenters such as these don't come cheap, so we must really promote and get numbers to help cover the cost of the event, so we ask you to promote the event to your photography friends and relatives.

The committee meeting in December we will enjoy a break up BBQ BYO everything at Peter Dwyer's home on the usual committee meeting night. Thank you, Peter for your kind offer. No business just enjoy ourselves. Please note partners are very welcome.

I need a voluntary host for the November committee meeting please.

In January Nat Peters with some fellow club members will be running a social evening on the second Monday of January more details later. Cheers

Fantastic six photographers have agreed to photograph the listed gardens during the Festival of Gardens 'Gardivalia' If you are not one of the six and you would love to visit and photograph one or more of the gardens please let me know.

Gary Russell (a member of our club) is on the organising committee of Gardivalia and he has asked us for assistance to photograph the many gardens on display. They have given us some free admission tickets to do this job. There are nineteen gardens in total.

Gardens are open from 10am – 4pm weekends starting on Saturday 20<sup>th</sup> October and going through to Sunday 28<sup>th</sup> October midweek we should phone first. This is a lovely opportunity to assist the organisers of this event by using our skills to photograph these beautiful gardens. What do you get out of it? You get to visit the gardens and practice your skills. What do they get out of it? Copies of your photographs for them to use in their promotional brochures for next year.

# WALHALLA OUTING

**Sunday 28<sup>th</sup> October 2018**

Outing to the historic township of Walhalla. 10.00am - 4.00pm

Trip Leader: Rose Bosse (0428 891 520)

**Meet at The Band Rotunda Park car park** opposite the Walhalla Star Hotel at **10.00am**. There are numerous car parking areas throughout the town but *due to high demand it would be a good idea to car pool if possible*.

The plan is that we will walk around the township, locating photo-opportunities as we go. We can arrange a meeting time and location for lunch, perhaps at the Greyhorse Cafe, (located opposite the Band Rotunda), or the Walhalla Coffee & Kitchen, (located in the Corner Stores opposite Stringer's Park in the centre of town).

Some suggestions for photo-ops are:

<http://www.walhallarail.com.au/> a link for the railway timetable etc.,

<http://www.visitwalhalla.com/> a link for the township map

**Windsor House** (1878) National Trust classified

## **Band Rotunda**

**Historic Graveyard** (1100 graves) located on a steep hillside. Lots of old graves to photograph, and people have claimed to catch a ghost or two in their images!

**Walhalla Museum** at the Corner Store

Old **Walhalla Post Office**

Old bridge into town

Multiple historic buildings and cottages throughout the town

**Goldfields Railway Station:** Trains leave at 11am, 1pm and 3pm (see timetable). Travel to Stringer's Creek Gorge across historic wooden bridge. Cost is **\$20 return**. You can still get a good photo op for the train whilst it is at the station if you don't wish to travel.

For those adventurous souls who would like to check out the historic gold mines, the **Long Tunnel Extended Gold Mine** has a **45-minute** tour with a local guide: leaving at 12 noon, 1.30pm and 3pm. Cost is **\$20** per person (see included information).

## National News -- Thank you and Congratulations

Congratulations to everyone who was part of our club National Competition and Exhibition.

I was so happy to see so many people at the exhibition. Two years ago we had approximately 200 people attend, last year that leapt up to approximately 300 and this year again jumped up to about 400! Thank you to those who gave so much time to help organise the exhibition, bump in and bump out and man the desk every day. Congratulations also to those who entered as well as those who received acceptances. Special congratulations to Linda Keagle on so many successful images. Very exciting to receive the most successful exhibitor in digital and the most successful local exhibitor. Your work is amazing Linda, well deserved recognition. Also, a big congratulation to Jake Trotman for receiving the most successful Warragul Camera Club member first time National entrant.

All raffle tickets were sold, with Grisham Johnson, winning the camera bag, and remaining prizes to Carol Monson, Clare Stevenson, Garry Smith and Ian Wilcox.

With gratitude to you all. Jane
