# President's Report AGM 2022

What a year we have had through 2021/22. It has been a mix of ups and downs, in and out of lockdowns and it seems those who have had covid seem to outnumber those who haven't.

Our year started off on Zoom meetings, progressing to the generously provided West Gippsland Restorers Clubrooms for a few months and finishing at our new meeting premises at the Warragul RSL. These new rooms are very professional and lend themselves to presenting some tutorial nights during the year.

I would like to thank our dedicated committee members who have committed so much time and effort this year and others who have willingly assisted in many ways.

Vice President: Russell Monson

Secretary: Jan BennettTreasurer: Marshall Cock

· Competition Coordinator: Mike Moore

Newsletter Editor: Rose Bosse

Membership Coordinator: Robyn RosenboomSpecial Events Coordinator: Ruth Burleigh

· Outing Coordinator: Ron Paynter

Webmaster: Des Lowe

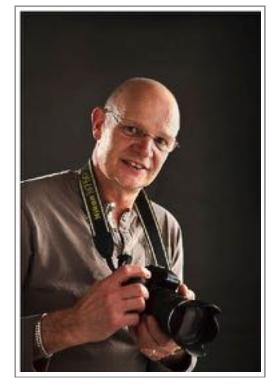

National Coordinator: Jane Woodcock

I am extremely grateful for the special friendship I have with these wonderful people and on behalf of our camera club, I thank you for your tireless efforts as without you we would not have an operational club. I would also like to thank those members who have volunteered to be part of the committee for the coming year.

We have had a renewed interest in our club membership during the year and welcomed several new members. We hope that our newest members find what the club offers in competitions, tutorials, workshops, and outings inspirational and enjoyable.

The club has continued to provide quality tutorial evenings with some great presenters throughout the year. We are hoping that we can add a mixture of Zoom and hands on face-to-face tutorials where possible in the coming year.

We were saddened to learn the passing of past presidents Gwen Woof and Rick Hoult during the year. Both Gwen and Rick brought valuable skills and assets to the club and were always

welcoming of new members. It is always sad to lose our past members and we wish their families all the best in dealing with their losses.

During the year, we were fortunate, through the generosity of the Crossover School committee, to be offered storage space in their shed. We purchased a small shed and installed it internally and it offers our club a valuable facility to store our equipment for general and National use.

We congratulated club members, David and Jane Woodcock, in obtaining their Australian Photographic Society (APS) Master Level Award and can now add EFIAPP MAPS to their qualifications.

Last year we were fortunate to have renowned photographer and tutor, Ewen Bell, present a special four-week online workshop on e-book curation. We had ten lucky members complete this course and develop some valuable skills and the opportunity to challenge the approach to their photography.

The club participated in several interclub competitions, and we have continued to improve our placings with many members successful with their images. We have a great number of skilful photographers who represent the club in these competitions, and we thank them for their hard work. These competitions include:

- Gippsland Interclub Competition
- PakWag Interclub Competition
- VAPS Interclub Competition
- 10 Club Portrait Competition

This year we once again organised a very successful National Competition and Exhibition held at the West Gippsland Arts Centre. This was our 49th event and we look forward to next year's 50th anniversary with some special celebrations in store. Thanks to our wonderful subcommittee headed by Jane Woodcock for their continued efforts in organising our premiere national event.

We are continuing this year, in providing a special Presentation Day. This event has been shelved over the last couple of years due to covid and thanks to Ruth for resurrecting and organising another wonderful event.

We have continued to provide the club members with some brilliant mid-week and monthly outings that has provided some very enjoyable social catch ups and photographic opportunities. These have been very welcome after covid lockdowns prevented many of our gatherings.

Thanks to those members who always give up their time to assist when needed and a special mention to Kayren Browne for her advertising and promotional expertise and providing monthly editorial reports to the Warragul Gazette.

I am confident that through another year of continued enthusiasm by our committee and members we will continue to grow as a great club, and I look forward to leading the Warragul Camera Club into the next year.

#### **Accounts**

Warragul Camera Club has four accounts with the Bendigo Bank in Drouin, who are also significant supporters of our club.

### These are:

- General Account used for the general running of the Club
- National Account used for the running of the National Photographic Competition
- Equipment Account a reserve account for equipment upgrades and purchases

The club also holds a Term Deposit with the Bendigo Bank.

Balances for each account for the club financial year (May – June) are:

	General Account	National Account	Equipment Fund	Term Deposit
Opening Balance	5579.03	10572.80	2005.60	11489.52
Receipts	6167.00	12304.58	1001.38	80.38
Expenses	6593.29	15488.55	352.27	
Closing Balance	5152.74	7388.83	2655.31	11569.90

Note: The National Account reflects the bank activity, not the cost of running the last National competition.

## **Club Fees**

Club fees have not increased since the 2017-18 financial year. The committee made a decision not to increase fees earlier due to the pandemic and some reduced expenses as a result (eg. lower venue hire etc). It has now become necessary to increase club fees.

The committee proposes the following fee structure:

•	Individual	\$75.00
•	Family	\$125.00
•	Junior (under 18) or Full-time student	\$65.00
•	Individual pensioner	\$65.00
•	Family pensioner	\$110.00
•	Associate (insurance)	\$20.00
•	Newsletter only	\$25.00

This equates for a full fee paying member, a monthly cost of \$6.25

For 6.25 members of the club get outstanding value:

- Judging of Monthly competitions
- Monthly Outings
- Mid Week Outings
- Regular tutorials usually one per month
- Participation in special Interest Groups
- Access to Club equipment
- Comradery with like-minded people

# The 10th Annual Gippsland Interclub Competition: 2022 **Hosted by the Warragul Camera Club**

Club members, Des, Marshall and Ruth hard at work, setting up the display at the WAS Gallery.

# The Gippsland Interclub Exhibition 2022.

Forty people attended the official opening of the exhibition held at the WAS Gallery, 37 Latrobe Street, Warragul at 2pm on Sunday 21st August.

It was fantastic to see such a lovely group of members attending. There are some special thanks I would like to make because without members like these it would be extremely difficult.

Bruce Langdon for assisting with stewarding, bumping in, being our MC for the day, picking up afternoon tea cakes etc., and entertaining the judges taking them out for lunch whilst the scoring took place.

Marshall Cock for preparing the data sheets and collating all the scoring and helping with printing.

Louise Sedgman for taking all the photos on the day and assisting stewarding with the judges.

**Des Lowe** for assisting with bumping in the exhibition.

**Kayren Browne** for helping with bumping in and advertising.

Robyn Wright for looking after the kitchen afternoon tea, I think there may have been others helping Robyn, like Sue Cock, Terrie Dwyer if I am missing someone, please forgive me.

Margaret Turner for baking the birthday cake.

To the members who submitted images into this competition I thank you all and to those who were lucky enough to be selected congratulations. Once again South Gippsland Camera Club took out the winning club.

A special thanks to Phil Hensall our local artist who is hosting the dairies exhibition in conjunction with the Gippsland Interclub its well worth a look.

Reports are being prepared as I write, ready to send out to the five participating clubs along with relative photos for them. I will send all this out within the next couple of days.

We don't bump out the exhibition until 17th September so if you haven't seen it yet there is still time the gallery is open Wednesdays to Saturdays 10am to 4pm.

There is still some work to do and if you would like to help let me know  $\bigcirc$ 

Next year's Gippsland Interclub will be hosted by the East Gippsland Camera Club down in Bairnsdale and in the past member from our club have taken the opportunity to make it a weekend away. We are hoping Phillip Island will be able to re-join this interclub from next year.

Cheers Ruth Burleigh
